

## 6th Judicial District LANGUAGE ACCESS PLAN

### **Section I. Legal Basis and Purpose**

This Language Access Plan (LAP) is the plan for the judicial district to ensure meaningful access to court services for persons with limited English proficiency (LEP) or deaf or hard of hearing in compliance with Title VI of the Civil Rights Act of 1964<sup>1</sup>, the Omnibus Crime Control and Safe Streets Act,<sup>2</sup> the Pennsylvania Interpreter Act,<sup>3</sup> and the Administrative Regulations Governing Court Interpreters for Persons With Limited English Proficiency and for Persons Who Are Deaf or Hard of Hearing.<sup>4</sup> A limited English proficient person is a person who does not speak English as his or her primary language, and who has a limited ability to read, write, speak, or understand English, and therefore may be unable to understand and meaningfully participate in the court process. Although deaf and hard of hearing individuals are covered under the Americans with Disabilities Act (ADA) rather than Title VI of the Civil Rights Act, they have been included in this plan insofar as they relate to the Pennsylvania Interpreter Act and the Administrative Office of Pennsylvania Courts' (AOPC) Interpreter Certification Program Regulations.<sup>5</sup>

The purpose of the plan is to provide a framework for the provision of timely and effective language assistance to LEP persons and deaf and hard of hearing persons who come in contact with the judicial district.

The judicial district has appointed a language access coordinator

#### **A. Interpreters Used In Judicial Proceedings**

The judicial district will offer assistance to LEP and deaf or hard of hearing persons during judicial proceedings by providing foreign language interpreters as required by Title VI of the federal Civil Rights Act, the Pennsylvania Interpreter Act, and its regulations. As defined by the Pennsylvania Interpreter Act, it is "the policy of this Commonwealth to secure the rights, constitutional and otherwise, of persons who because of a non-English speaking cultural background or because of an impairment of hearing or speech are unable to understand or communicate adequately in the English language when they appear in court or are involved in judicial proceedings."<sup>6</sup> Pursuant to the regulations under Act 172, the Pennsylvania Interpreter Act, specific persons are required to give notice to the court of the need for an interpreter in certain types of cases, but "anyone with knowledge of a principal party in interest, witness or direct victim's need for an interpreter may give notice of that need to the presiding judicial officer or the Appellate Court Prothonotary/District Court Administrator or his or her designee . . . ."<sup>7</sup>

The 6th Judicial District provides interpreters for judicial proceedings in compliance with the rules and policies set forth in the Pennsylvania Interpreter Act and regulations, the AOPC Interpreter Certification Program regulations,<sup>8</sup> and the Guidelines for the Procurement and Appointment of Interpreters issued by the AOPC. Interpreter request and waiver forms are available on the Interpreter Certification Program page of the UJS website.<sup>9</sup>

The Pennsylvania Interpreter Certification Program ("ICP") maintains a statewide roster of certified, otherwise qualified, and registered interpreters who may work in the courts, which is available to court staff and the public online.<sup>10</sup> The Judicial Districts must give preference to the appointment of a certified interpreter, unless a certified interpreter is not available.

The court may appoint otherwise qualified interpreters when certified interpreters are unavailable. Otherwise qualified interpreters should be selected from the statewide roster. If the Judicial District is

LEP persons may come in contact with court personnel via:

- X Information desk (via Court Administration Rm 204)

Once court staff have identified LEP individuals utilizing the resources identified in II(C), court staff provide the following language assistance services in the situations listed directly above: *[please use the checkboxes below to indicate what types of language assistance services are currently available in the situations listed above].*
